Chapter 1 by Sophie

Diary Entry no.1 5th March 2015

It's the first day of secondary school! Yay!..NO. I'm soo nervous, none of my friends are coming to the school I'm going to because they are all going to a public school. I'm going to miss my friend so much. Despite my nerves, I have to focus on my studies, that was the point of going to a private school.

I'm already at school and I love it (sorry I haven't updated you in a long time)! I recognise some of the people from the entrance exam here today. I have made two friends so far but here's the good thing they were both in my exam room! I'm still very nervous! I bet most

Chapter 2 by Leonard

people are cheating at this exam, I mean, its TOTALLY obvious! The guy at my left has dropped his pencil over my desk JUST TO COPY!

Chapter 3 by invisiblebird

The examiner seems to have fallen asleep. Come to think of it, examiners probably have one of the worst jobs in the world. Sitting in a silent room all day can't be very interesting. And people hate you for just doing your job.

Diary Entry No. 3 11th March 2015

Today is my birthday, or should it be Was my birthday? It's 5:17pm so I don't know what that makes it, but today I am older. Not that it really matters because I am still only at school and getting through life one boring day at a time.

Also, today he spoke to me :)
